
CURRICULUM VITAE
KATHLEEN C.Y. SIE, MD, FACS
Professor, Otolaryngology Head and Neck Surgery
Chief, Division of Pediatric Otolaryngology
Director, Childhood Communication Center
Richard and Francine Loeb Endowed Chair in Childhood Communication Research

CONTACT INFORMATION:

Childhood Communication Center
Seattle Children's Hospital
4800 Sand Point Way
Seattle, WA 98195

Phone (206)987-3468
Pager (206)469-4550

Email: kathysie@uw.edu

PERSONAL:

Birthplace: Camden, NJ
Birthdate: April 19, 1960

EDUCATION:

1978 – 1981 B.S., Biomedical Sciences, Integrated Premedical-Medical Program, James Angell Scholar, University of Michigan
1980 – 1984 M.D., University of Michigan Medical School

POSTGRADUATE TRAINING:

1984 – 1985 Intern, Dept. of General Surgery, University of Washington
1985 – 1986 Resident, Dept. of General Surgery, University of Washington
1986 – 1990 Resident, Dept. of Otolaryngology-HNS, University of Washington
1990 – 1991 Post-doctoral research fellow, Hearing Development Laboratory, Dept. of Otolaryngology-HNS, University of Washington
1991 – 1992 Clinical fellow, Pediatric Otolaryngology-HNS, The Children's Hospital, Dept. of Otolaryngology and Laryngology, Harvard Medical School

FACULTY POSITIONS:

1990 – 1991 Acting Instructor, Dept. of Otolaryngology - HNS, University of Washington School of Medicine
1991 – 1992 Clinical Instructor, Dept. of Otolaryngology and Laryngology, Harvard Medical School
1992 – 1999 Assistant Professor, Dept. of Otolaryngology - HNS, University of Washington School of Medicine
1999 – 2008 Associate Professor, Dept. of Otolaryngology - HNS, University of Washington School of Medicine

2008 – present Professor, Dept. of Otolaryngology - HNS, University of Washington School of Medicine

HOSPITAL/MEDICAL STAFF APPOINTMENTS

1992 – present Attending, Children’s Hospital and Medical Center, Seattle, Washington
1992 – present Attending, University of Washington Medical Center, Seattle, Washington
1992 – present Attending, Harborview Medical Center, Seattle, Washington
1993 – 2015 Director, Hearing Loss Clinic, Seattle Children’s Hospital, Seattle, Washington
1994 – 2017 Co-director, Cochlear Implant Program, Seattle Children’s Hospital, Seattle, Washington
2001 – present Director, Childhood Communication Center, Seattle Children’s Hospital
2007 – 2016 Fellowship Director, Pediatric Otolaryngology Fellowship, Seattle Children’s Hospital, University of Washington School of Medicine

HONORS/AWARDS

1995 Ron Trachy Award for Resident Research Teaching, Dept. of Otolaryngology-HNS, University of Washington
1996 – 2015 “Top Doctors”, Seattle Washington, Seattle Magazine
2000 “Special” specialist, VCFS/DiGeorge Family Support Network of Washington
2000 – 2003 Medical Staff Caring for Children Award, Children’s Hospital and Regional Medical Center
2001 Driftwood Award for Resident Teaching, Dept. of Otolaryngology-HNS, University of Washington
2003 Charles Ferguson Award for Clinical Research, Speech Outcomes after Sphincter Pharyngoplasty, B Cilento, J Perkins, L Eblen, J Gruss and K Sie
American Society of Pediatric Otolaryngology
2005 Ron Trachy Award for Resident Research Teaching, Dept. of Otolaryngology-HNS, University of Washington
2005 Honor Award, American Academy of Otolaryngology HNS
2005 – present “Best Doctors in America”, Best Doctors, Inc., Boston, MA
2007 Family Choice Award, Children’s Hospital and Regional Medical Center
2010 Charles Ferguson Award for Clinical Research, Role of CMV in Childhood Hearing Loss, Misono S, Sie, KCY, Boeckh M, Norton S, Yueh B. American Society of Pediatric Otolaryngology.
2011 “Top Doctors”, Hall of Fame, Seattle Washington
2012 Charles Ferguson Award for Clinical Research, Second Prize. Validation of a VPI- specific Quality of Life Instrument, Skirko J, Weaver E, Kinter S, Perkins J, Sie K. American Society of Pediatric Otolaryngology.
2012 Charles Ferguson Award for Clinical Research, Third Prize. Consensus in developing a VPI Video Instruction Tool. Tieu D, Gerber M, Parikh S, Yoon P, Perkins J, Sie K. American Society of Pediatric Otolaryngology.
2014 Top Docs, Seattle Magazine cover story
2014 University of Washington Department of Otolaryngology Head and Neck Surgery Resident Teaching Award

2018 University of Whashington Department of Otolaryngology-Head and Neck Surgery, Trachy Award for Resident Research Mentorship

NATIONAL BOARDS and CERTIFICATION:

1984 Diplomate, National Board of Medical Examiners
1990 Diplomate, American Board of Otolaryngology

STATE LICENSURE:

1991 – 2000 Massachusetts #73859
1984 – present Washington #23324

ORGANIZATIONS:

1986 – present American Academy of Otolaryngology Head-Neck Surgery
1992 – present King County Medical Society
1992 – present Northwest Academy of Otolaryngology
1992 – present Virginia Merrill Bloedel Hearing Research Center, Affiliate
1993 – 2005 American Academy of Pediatrics, Fellow
1995 – present Association for Research in Otolaryngology
1996 – present American Society for Pediatric Otolaryngology
1997 – present American Cleft Palate and Craniofacial Association
1997 – present Seattle Surgical Society
1997 – present American College of Surgeons, Fellow
2014 – present American Board of Otolaryngology, Director

COMMITTEES:

Institutional

1993 – 1998 Member, Institutional Review Board (IRB), Children’s Hospital and Regional Medical Center
1998 – present Chair, Retreat Focus Group, Childhood Communication Center, Children’s Hospital and Regional Medical Center
1999 Member-at-large, Medical Executive Committee, Children’s Hospital and Regional Medical Center
1999 – 2004 Member, Research Transition Committee, Children’s Hospital and Regional Medical Center
2000 – 2003 Member, Institutional Review Board, Children’s Hospital and Regional Medical Center
2000 – 2013 Member, Physician Wellness Committee, Children’s Hospital and Regional Medical Center
2005 – 2009 Member, CHRCM Centennial Symposium Committee, Children’s Hospital and Regional Medical Center
2006 – 2007 Member, Capital Equipment Committee, Seattle Children’s Hospital
2009- 2014 Value Improvement subcommittee, Children’s University Medical Group
2015- 2016 Strategic Planning Committee: Partnerships and Clinical Growth
2016 Surgical Division Chiefs
2016-present

2017-present Clinical Practice Committee, Alternate member, Children's University Medical Group

2017-present Hospital Steering Committee, Children's University Medical Group

Departmental

1996 – 2007 Otolaryngology Resident Selection Committee, Dept. Of Otolaryngology HNS, University of Washington

2001 – 2002 Search Committee for Facial Plastics faculty

2002 – 2003 Search Committee for Director of Virginia Merrel Bloedel Hearing Research Center, Dept of Otolaryngology- HNS, University of Washington

2004 – 2011 Resident Education Committee, Dept of Otolaryngology- HNS, University of Washington

2006 Search Committee for Chair of Otolaryngology-HNS, University of Washington

2007 Search Committee for Pediatric Otolaryngologist, Dept of Otolaryngology- HNS, University of Washington

2008 – 2009 Search Committee for Sleep Surgeon, Dept of Otolaryngology- HNS, University of Washington

2008 – 2011 Otolaryngology Resident Selection Committee, Dept. Of Otolaryngology HNS, University of Washington

2009 – 2015 Appointments and Promotions Committee, Dept. Of Otolaryngology HNS, University of Washington

2012-2013 Otolaryngology Resident Selection Committee, Dept. Of Otolaryngology HNS, University of Washington

2013 – present Clinical Competency Committee, Member

Regional

1993 – 1998 Affiliate Liaison Committee, Virginia Merrill Bloedel Hearing Research Center, University of Washington

1998 – present Medical Advisory Board, Listen and Talk School, Bothell, WA

1994 – 1998 Mentor, Minority Medical Education Program

1995 – 1996 Washington State Committee for Cleft Lip and Palate, Critical Elements of Care

1998 – 2000 Steering Committee, Washington State Universal Newborn Screening, State of Washington, Dept. of Health

2008-2009 Planning Committee, 12th Symposium on Cochlear Implants in Children. Course Director Douglas Backous. Meeting dates June 17-20, 2009.

2018 Board Member, Northwest Academy of Otolaryngology

National

1992 – 1998 American Academy of Otolaryngology-Head -Neck Surgery, Committee on Pediatric Otolaryngology

1999 – 2004	Faculty member, Home Study Course, Bronchoesophagology and Laryngology American Board of Otolaryngology and American Academy of Oto-HNS
1996 – 1999	Task Force for New Materials, American Board of Otolaryngology
1997 – 2000	Program Committee, American Society of Pediatric Otolaryngology
1999 - 2000	Program Chairperson, American Society of Pediatric Otolaryngology
2000 - 2002	District Liaison for Pediatric Otolaryngology, American Academy of Pediatrics
2002 – 2005	Board member, American Society of Pediatric Otolaryngology
2003 – 2005	Nominating Committee, American Academy of Otolaryngology-HNS
2004 - 2006	Guest examiner, American Board of Otolaryngology
2004 – 2008	Voting member, Panel for ENT devices, Food and Drug Administration, United States Government
2005 – 2007	Ad hoc Leadership Committee, American Society of Pediatric Otolaryngology
2007 – 2016	Fellowship Director’s Committee, American Society of Pediatric Otolaryngology
2007 – 2010	Long Term Strategic Planning Committee, American Society of Pediatric Otolaryngology
2007	Founding member, National VPI Research Group, American Society of Pediatric Otolaryngology
2008 -2009	Guest examiner, American Board of Otolaryngology
2009- 2012	Senior examiner, American Board of Otolaryngology
2008-2015	Consultant, Panel for ENT Devices, Food and Drug Administration, United States Government
2007 – 2016	Member, Fellowship Directors Committee, American Society of Pediatric Otolaryngology
2009-2011	Chairperson, Long-Range Strategic Planning Committee, American Society of Pediatric Otolaryngology
2012-2015	Member, Program Committee, American Society of Pediatric Otolaryngology
2014	Working Group to develop ACGME Milestones for Pediatric Otolaryngology
2014 – present	Director, American Board of Otolaryngology
2014- present	Education Council, Society of University Otolaryngologists
2016- present	Member, Advisory Committee, Regent Clinical Data Registry, American Academy of Otolaryngology- Head and Neck Surgery
2014-present	Information and Liaison Committee
2016-present	Complex Pediatric Otolaryngology
2017	Subcertification subcommittee, Strategic Planning
2018	Nominating Committee
2018 – present	Chair, Task Force for development of CPO examination

COURSE FACULTY/INVITED PRESENTATIONS:

Local

1. Sie KCY, Temporal Bone Course, Dept. of Oto-HNS, University of Washington, 1992 - present.
2. Sie KCY, *Assessment and Management of Children with Aural Atresia*, Craniofacial Center, Children’s Hospital and Medical Center, Seattle, February 1993.

3. Sie KCY, *Tympanic Membrane Perforations*. Otolaryngology for the Non-Otolaryngologist, University of Washington School of Medicine, Seattle, Washington, May 1993.
4. Sie KCY, *Tympanic Membrane Perforations*. Otolaryngology for the Non-Otolaryngologist, University of Washington School of Medicine, Seattle, Washington, May 1995.
5. Sie KCY, *Otolaryngologic Management of Patients with Craniofacial Syndromes*. Ortho 584, University of Washington School of Dentistry, 1994 - 2000.
6. Sie KCY, *Childhood Hearing Loss*, University of Washington Pediatric Housestaff, Seattle, WA, May 21, 1996.
7. Sie KCY, *Medical and Surgical Considerations, Cochlear Implants for Children*, The Cochlear Implant Team, Children's Hospital and Medical Center, Seattle, WA, March 1, 1997.
8. Sie KCY, *Diagnosis and Management of Acute Mastoiditis*, University of Washington Pediatric Housestaff, Seattle, WA, March 17, 1997.
9. Sie KCY, *Issues in Childhood Hearing Loss*, University of Washington, Pediatric Housestaff, Seattle, WA, May 26, 1998.
10. Sie KCY, *Cochlear Implants in Children*, Children's Hospital and Regional Medical Center, In – service lecture, June 1998.
11. Sie KCY, *Otitis Media: Management Issues*, Pediatric Associates, Bellevue, WA, September 21, 1998.
12. Sie KCY, *Cochlear Implants in Children*, Grand Rounds, University of Washington, Dept. of Otolaryngology, April 21, 1999.
13. Sie KCY, *Velopharyngeal Insufficiency*, University of Washington, Dept. of Otolaryngology, May 5, 1999.
14. *Otolaryngology Concerns of Patients with Craniofacial Syndromes*, University of Washington, Dept. of Otolaryngology, May 12, 1999.
15. Sie KCY, *Cochlear Implants in Children: Indications, Devices, and Rehabilitation*, In-service lecture, Operating Room, Children's Hospital and Regional Medical Center, May 26, 1999.
16. Sie KCY, *Sensorineural Hearing Loss in Children*, University of Washington, Dept. of Otolaryngology, June 23, 1999.
17. Sie KCY, *Hearing Loss and Cochlear Implants in Children*, Open House, Listen and Talk School, Seattle, WA, November 8, 1999.
18. Sie KCY, *Cleft Palate Procedures*, University of Washington, Dept. of Otolaryngology, April 5, 2000.
19. Sie KCY, *Ear reconstruction for children with congenital anomalies*. Family Faces Support Group. Seattle, Washington, March 8, 2001.
20. Sie KCY, *Childhood hearing loss and cochlear implants*. Sam Mostafopour and Kathleen Sie. Department of Otolaryngology-Head and Neck Surgery, University of Washington, Seattle, April 18, 2001.
21. Sie KCY, *Childhood hearing loss*. Pediatric Housestaff Conference, Children's Hospital and Regional Medical Center, Seattle, WA, May 25, 2001.
22. Sie KCY, *Cochlear implants in young children*. Naidu, S, Norton, SJ, and Sie K. Ears Hearing and Beyond, Virginia Merrill Bloedel Hearing Research Center, University of Washington, HUB, March 9, 2002.

23. Sie KCY, *Pediatric Cochlear Implantation*. Sie K and Norton SJ. Neurosurgical Grand Rounds, University of Washington, Dept. of Neurological Surgery, Harborview Medical Center, October 29, 2003.
24. Sie KCY, *Ear Embryology, Congenital Anomalies and Childhood Hearing Loss*, Otology Didactic Series, Dept. of Oto-HNS, UW, May 25, 2005.
25. Sie KCY and Norton SJ. Hearing and Speech Issues in Childhood. Children's Hospital and Regional Medical Center, Seattle, October 10, 2003.
26. Sie KCY, *VPI Outcomes Research*, Research Seminar, Craniofacial Center, Children's Hospital and Regional Medical Center, Seattle, Jan 10, 2005.
27. Sie KCY, *Research in VPI and Clinical Comments*, Faculty Research Series, Dept. of Oto-HNS, UW, June 1, 2005.
28. Sie KCY, Most S, Murakami CS. Soft Tissue Course. Dept. of Oto-HNS, UW. Health Sciences Center, August 31, 2005.
29. Sie KCY, *Data Management with Otobase*, Research Seminar, Craniofacial Center, Children's Hospital and Regional Medical Center, April 24, 2006.
30. Sie KCY, *Otoplasty*, Facial Plastic Surgery Didactics, Dept. of Oto-HNS, UW, May 24, 2006.
31. Sie KCY, *Microtia: Assessment and Management*, Facial Plastic Surgery Didactics, Dept. of Oto-HNS, UW, June 1, 2006.
32. Sie KCY, Children's Hospital and Regional Medical Center: The Vision. 2007 Chinese New Year Gala Celebration, Westin Hotel, Seattle, January 2007.
33. Sie KCY, *Childhood Hearing Loss*. Pediatric resident's Noon Conference. CHRMC. June 2007.
34. Sie KCY, *Medical Evaluation of Childhood Hearing Loss*, University of Washington, Dept. of Oto-HNS, Pediatric Otolaryngology Didactic Series, August 28, 2007.
35. Sie KCY, *VPI Management: Surgical Approach*, University of Washington, Dept. of Oto-HNS, Pediatric Otolaryngology Didactic Series, September 5, 2007.
36. Sie, KCY, *Childhood Hearing Loss*,
37. Sie, KCY, *Pediatric Cochlear Implantation*, CHRMC Surgical Nursing Quarterly Meeting, March 13, 2008.
38. Sie, KCY, *Pediatric Cochlear Implantation: Why are kids different?* University of Washington, Department of Otolaryngology, Pediatric Otolaryngology Didactic Series, October 27, 2009.
39. Sie, KCY, *Searching for Causes of Hearing Loss: Current Approach to Evaluation*, Childhood Communication Center, Seattle Children's Hospital, Family Information Sessions, August 26, 2010.
40. Sie, KCY, Otoplasty, University of Washington, Department of Otolaryngology, *Facial Plastics Otolaryngology Didactic Series*, November 20, 2010.
41. Sie, KCY, *Microtia and aural atresia: An integrated approach to patient management*, Integrated Craniofacial Education (ICE) lecture series, Craniofacial Center, Seattle Children's Hospital, February 23, 2011.
42. Sie, KCY. *Auditory osseointegrated implants and aural atresia repair*, Otology Otolaryngology Didactic Series, May 17, 2011.
43. Sie, KCY and Norton, L. *Cochlear implants and Baha; Surgical considerations*, In-service lecture, Surgical Services, Seattle Children's Hospital, May 25, 2011.

44. Sie, KCY, *Otolaryngologic Management of Children with Craniofacial Anomalies*, University of Washington, Dept. of Oto-HNS, Pediatric Otolaryngology Didactic Series, September 21, 2011.
45. Sie, KCY, Auricular reconstruction and otoplasty with a focus on trauma, 2011 Lesley Watson Resident Surgical Simulation Course, Facial Plastic and Reconstructive Surgery, Harborview Medical Center, Seattle, WA, December 15, 2011.
46. Sie, KCY, *Microtia and aural atresia: An integrated approach to patient management*, Integrated Craniofacial Education (ICE) lecture series, Craniofacial Center, Seattle Children's Hospital, February 22, 2012.
47. Sie, KCY, Microtia reconstruction, 2013 Lesley Watson Resident Surgical Simulation Course, Facial Plastic and Reconstructive Surgery, Harborview Medical Center, Seattle, WA, November 14, 2013.

EDITORIAL ACTIVITIES:

1992 – present	Ad hoc reviewer, Archives of Otolaryngology
1996 – 1997	Ad hoc reviewer, Cleft Palate and Craniofacial Journal
2002 – present	Ad hoc reviewer, Archives of Pediatric and Adolescent Medicine
2002 – present	Ad hoc reviewer, Annals Otology Rhinology and Laryngology
1997 – 2004	Section Editor, Otolaryngology, Cleft Palate and Craniofacial Journal
2011-present	Section Editor, Laryngoscope

GRANTS:

1993-1994	Basic Science Research Grant “Developmental Ototoxicity”, principal investigator National Institute of Health, University of Washington \$8,000
1994-1997	Research Endowment Fund Grant “Developmental Ototoxicity”, principal investigator

- Children’s Hospital and Medical Center
\$5,000
- 1995-1997 CLARION Multi-Strategy Cochlear Implant Pediatric Study
IDE #GS940176**
Investigator
Advanced Bionics, Corp.
Non-funded
- 1996-1997 Clinical Trial and Evaluation of the Nucleus CI24M Cochlear
Implant System in Pediatric Subjects**
Investigator
Cochlear Corp.
Non-funded
- 1997 Clinical Trial and Evaluation of the Nucleus CI24M Cochlear
Implant System in Pediatric Subjects
Post-Market Study**
Investigator
Cochlear Corp.
Non-funded
- 1996-2000 Clinical Investigator Development Award 1K08DC00105**
“Cis-Platinum Developmental Ototoxicity”, principal investigator
NIDCD, National Institutes of Health
\$385,000
- 1997-2000 Craniofacial Foundation Research Grant**
“Association of Hearing Loss with Preauricular Tags”, principal investigator
Craniofacial Foundation, Children’s Hospital and Medical Center
\$5,700
- 2001 William Randolph Hearst Foundation**
Childhood Communication Center
Support for database development and digital audiovisual equipment for speech
and voice analysis.
\$100,000
- 2006-2009 Gustavus and Louise Pfeiffer Research Foundation Grant**
Collaborator
“Role of congenital CMV in pediatric hearing loss”
Principal investigators: Stephanie Misono and Susan Norton
University of Washington
\$75,000
- 2007-2010 Hear See Hope Foundation**
Investigator
“Clinical vestibular assessment in children with deafness”
Seattle Children’s Hospital
\$40,000
- 2007-2010 RO1 1R01DC008144**
Investigator, 5% effort
“Hearing Loss and Quality of Life of Children and Youth”, co-investigator

- Principal Investigator: Donald Patrick
NIDCD, National Institutes of Health
- 2009-2012 American Academy of Facial Plastics and Reconstructive Surgery Research Grant**
Collaborator/mentor
Quality of Life instrument development: Velopharyngeal insufficiency
Investigator: Jonathan Skirko, MD, MHPA
\$25,000
- 2012-2017 5 RO1 DE022438-02**
Investigator 5%
CFM: Longitudinal Outcomes in Children pre-Kindergarten (CLOCK)
Principal Investigator: Carrie Heike, MD
\$610,282
- 2015-2016 American Academy of Otolaryngology Head and Neck Surgery Foundation Resident Research Award; The Alcon Foundation and the Centralized Otolaryngology Research Effort.**
Collaborator/ Mentor
Functional assessment instrument for children with unilateral hearing loss
Principal Investigator: Patricia Purcell, MD
\$8,990

PHILANTHROPIC GIFTS (Over \$50,000)

- 2000 Children’s Hospital and Regional Medical Center, Guild Association Special Project Endowment**
Support for the Childhood Communication Center
\$800,000
- 2001 Murakami Endowment**
Support for pediatric otolaryngology and pediatric communication sciences
\$1,000,000
- 2005-2017 Loeb Family Foundation**
Support of the Loaner Hearing Aid and FM System Program, purchase of hearing aids for DHH children, Loaner Hearing Aid and FM system program, Sign Language Tuition Assistance, Cochlear Implant Support Group, It Takes Two to Talk, and the Family Conversations Early Intervention Program.
\$100,000 (2005); \$100,000 (2006); \$125,000 (2007); \$125,000 (2008), \$135,000 (2009), \$161,500 (2010), \$129,500 (2011), \$155,500(2012), \$132,800 (2013), \$163,000 (2014), \$175,000(2015), \$151,000(2016), \$178,000 (2017)
- 2005 Corbally/ MacArthur Foundation**
Support for the Childhood Communication Center
\$60,000
- 2007 Byers Family Foundation**
Support for DHH children
\$100,000
- 2013 Richard and Francine Family Foundation
Endowed Chair in Childhood Communication Research**

	\$1,500,000
2017	Patel Family Foundation
	Connectivity devices for youth who are deaf or hard of hearing
	\$17,500
2017	Otolaryngology, Audiology, Childhood Communication Center Team
	Engagement Fund; All-In Campaign
	\$4,000

TEACHING RESPONSIBILITIES

Department of Oto-HNS residency didactic lecture series (Pediatrics, Facial Plastics, Otology, Research blocks). See Course Faculty/ Invited Presentations (local) above.

Clinical instruction of residents in otolaryngology-head and neck surgery, pediatrics, dental medicine; and medical students (see local Course Faculty/ Invited Presentations above).

Clinical instruction and mentorship of fellows in pediatric otolaryngology.

MENTORSHIP

1993 – 1994 Henry A Milczuk, MD Associate Professor
Oregon Health and Science University

1994 – 1995	Jonathan A. Perkins, DO University of Washington School of Medicine	Professor
1995 – 1996	David E. Karas, MD Dept. of Surgery Yale University	Assistant Clinical Professor
1996 – 1998	Lianne M. de Serres, MD New York Medical College	Clinical Associate Professor
1998 – 1999	Jill C. Beck Boise, Idaho	Private Practice
1999 – 2001	Farrel J. Buchinsky, MD Allegheny University of Health Sciences	Associate Professor
2000 – 2001	Jason Mouzakes, MD Department of Otolaryngology Albany Medical College	Professor and Chair
2001 – 2002	Jeffrey D. Carron, MD Otolaryngology and Communication Sciences University of Mississippi	Associate Professor
2002 – 2003	Patricia J. Yoon, MD University of Colorado	Associate Professor
2003 – 2004	Eddie Eksteen, MD Dept of Otolaryngology University of Alberta	Clinical Lecturer
2003 – 2005	David Bloom, MD Portsmouth, VA	
2004 – 2005	Henry Ou, MD University of Washington School of Medicine	Associate Professor
2005 – 2006	Eli Grunstein, MD Columbia University	Assistant Professor
2006 – 2007	Eunice Chen, MD Dartmouth Hitchcock Medical School	Assistant Professor
2006 – 2010	Stephanie Misono, MD University of Minnesota	Assistant Professor
2007 – 2008	Emily Rudnick Boss, MD Johns Hopkins University	Associate Professor
2008-2009	Nooshin Parhizkar, MD Northern California	Private Practice
2009-2010	Sharon Cushing, MD University of Toronto	Assistant Professor
2010-2011	Abby Meyer, MD University of Minnesota	Assistant Professor
2011-2012	David Tieu University of Southern California Kaiser LA	Clinical Assistant Professor
2012-2013	Dylan Chan, MD, PhD University of California, SF	Assistant Professor

2013-2014	San Francisco, CA Tianjie Shen, MD San Francisco Kaiser	Kaiser
2013-2015	Patricia Purcell, MD University of Washington	MPH (thesis advisor)
2014-2015	John Dahl, MD, PhD, MBA University of Indiana	Assistant Professor
2014-2015	David Zopf, MD, MA University of Michigan	Assistant Professor
2015-2016	Josephine Czechowicz, MD University of California, SF	Assistant Professor
2015-2016	Randall Bly, MD University of Washington	Acting Assistant Professor
2016-2017	Neha Patel, MD Manhattan Eye and Ear	Assistant Professor
2016-2017	Ryan Mitchell, MD, PhD Indiana University	Assistant Professor
2017-2018	Erin Kirkham, MD, MPH	Assistant Professor
2017-2018	Reema Padia, MD	Assistant Professor
